2) The first class cases of the Talukes of Hunsur, Heggaddevankote and Yedatore which were under the jurisdiction of the Special First class magistrate, Hunsur may be added to the Special First grade and First class magistrate at Mysore

The first class cases of Malvalli, TK may also be added to this magistrate

Dear Sir,

I am desired to acknowledge the receipt of your D.O. letter No.O.2367/Cts.98-25-2 dated the 7th November 1925, enquiring whether the District Magistrate, Mysore, has submitted any proposals in the matter of redistribution of the jurisdiction of the various Special Magistrates' Courts in his District and how the Chief Court have dealt with them.

B. N A G A P P A , Esq., Bar-at-Law,
Secretary to Government,

Sir,

I am directed to forward herewith for the orders of Government copy of a letter No.C.455/J. 25-26 dated the 20th September 1925 from the District Magistrate, Mysore, re: the revision of the territorial jurisdiction of the Special Magistrate's Courts at French Rocks and Hunsur and the Special First Grade Magistrate's Court at Mysore.

2. I am to observe that as pointed out by the District Magistrate and as will be seen from the statement appended herewith, the work in the Courts of the Special First Grade Magistrate, Mysore and the Special Magistrate, Hunsur, is comparatively heavier than in the Special Magistrate's Court, French Rocks. In 1924-25, 120 first class cases and 60 second class cases (arising within the T. Narsipur taluk) were instituted in the Special First Grade Magistrate's Court, Mysore, 17 first class cases and 242 second class cases in the Special Magistrate's Court, Hunsur and 158 second class cases in the Special Magistrate's Court, French Rocks. Under the District Magistrate's proposal, the

Special First Grade Magistrate, Mysore will try all the first class cases arising within the taluks of Hunsur, Yedatore and Heggadadevankote (17), also the first class cases arising in the Malavalli and T. Narsipur taluks (24 plus 35) and as at present all the second class cases arising from the T. Narsipur taluk (60). This Court will then have 76 first class cases and 60 second class cases per year on the basis of the institutions in 1924-25. The Special Magistrate, Hunsur will have 242 second class cases and the Special Magistrate at French Rocks 61 first class cases (arising within the taluks of Mandya, Nagamangala, Krishnarajpet and Seringapatam), and 158 second class cases as hitherto.

3. Though the Chief Court generally agrees with the proposal of the District Magistrate that a redistribution of work among the several Magistrates in question based on territorial jurisdiction is necessary with a view to as far as possible equalise the work, I am to observe that under the District Magistrate's proposal the Special First Grade Magistrate, Mysore is not likely to have sufficient work. He will have only 76 first class cases and 60 second class cases. The Judges consider that it will be better to give him all the first class cases of the Seringapatam taluk also (18) which will give that Court in all 94 first class cases and 60 second class cases, which is not too excessive for one Court. It may also be observed that the taluk of Seringapatam adjoins Mysore and it will be equally if not more convenient for parties to go to Mysore as at present for the trial of their first class cases instead of to French Rocks.

3. I am therefore to recommend that Government may be pleased to sanction the Distridt Magistrate's proposal with the modification suggested above, viz., that the first class

cases arising within the Seringapatam taluk may be tried by the Special First Grade Magistrate, Mysore, instead of by the Special Magistrate, French Rocks.

4. As the District Magistrate has been pressing this question, I am to request the favour of very early orders being passed in the matter.

I have the honour to be,

S i r,

Your most obedient servant,

Sheemsadopanchai 13/11/25

Copy of letter No.C.455/J. 25-26 dated the 20th September 1925, from the District Magistrate, Mysore, to the Registrar, Chief Court of Mysore, Bangalore.

****

I have the honour to submit for the information of the Chief Court that the distribution of work among the Criminal Courts of this district requires to be revised as the present distribution sanctioned in Government Order No.27798-805 Cts. 157-18-2 dated 12th June 1919 and Government Order No.P.10789-Cts. 18-22-23 dated 10th May 1923 throws unduly large amount of work on the Special First Class Court, Mysore, while the Special Court at French Rocks has comparatively little work as appended statement No.1 will show. Further the concentration of jurisdiction in Mysore over 1st class cases of all the taluks of the French Rocks Police District involves not merely delay in getting processes served but also undue expense and trouble to witnesses and parties who have to travel longer distance and additional cost to Government and loss of time to Police Officers who have to appear in Court as witnesses or for instructing the Prosecuting Inspector. The District Superintendent of Police, French Rocks does not get the same help from the Prosecuting Inspector as he would get if a First Class Court were located at French Rocks.

The location of a 1st Class Magistrate at Hunsur is un-economical and unnecessary as the number of cases there is very small and hardly provides work for an officer of the second grade as a First Class Magistrate necessarily is. The number of 1st class cases in the Hunsur Court was only 25 in 1923-24 and 17 in 1924-25.

The transfer of jurisdiction over all the five taluks of Seringapatam, Krishnarajpet, Nagamangala, Malavalli and Mandya to the French Rocks Court is also not possible as the work of the French Rocks Court would then become unduly heavy and that of the Special Court, Mysore made unduly light. The establishment of direct motor buss connection between Mysore and Malavally has rendered Mysore more easily accessible to Malavally than French Rocks is. For the other four taluks, viz., Seringapatam, Krishnarajpet, Nagamangala and Mandya, French Rocks is nearer than Mysore, and indeed one has to pass French Rocks in order to reach Mysore. The number of 1st class cases of these five taluks is given in the appended statement 2.

In the above circumstances, I propose that the jurisdiction of the Special Courts at Mysore, Hunsur and French Rocks be revised as below from 1st October 1925 and that Mr. G. Mallikarjuniah under orders of transfer to Hunsur be posted to French Rocks instead Mr. Kanakaratna Raj being transferred to Hunsur.

REVISED JURISDICTION.

Special First Class Court, Mysore --Presiding Magistrate Mr. Narayanaswamy Naidu.

All cases of T.Narsipur taluk except those within the cognisance of the Bench Court and all First class cases of Heggadadevankote, Hunsur, Yedatore and Malavally taluks, also appeals as at present.

Special First Class Court, French Rocks :-- Presiding Magistrate,
Mr.G.Mallikarjuniah.

All cases of Seringapatam and Krishnarajpet taluks other than those within the cognisance of the Bench Court and all first class cases of Mandya and Nagamangala taluks.

Special 2nd class Court, Hunsur :-- Presiding Magistrate
Mr. Kanakaratna Raj.

All second class cases of Hunsur, Heggadadevankote and Yedatore excepting those within the cognisance of the Bench Courts.

I request the favour of very early orders so as to cause the least inconvenience to the Magistrates concerned.
